

Seven-times CEO Loves Me Novel

Chapter 31 To 35

C31 You said you'd set me free

You said you'd set me free

"I favor Tang Ru Yi." Tang Bao clenched her fist, completely confident in herself.

"..."

He didn't know what was going on. Since he didn't return to the Tang Family last week, Tang Qi Shan hadn't said anything. Even though they were separated by many kilometers, Tang Bao knew how angry Tang Qi Shan would be. However, on Friday, he received a call from Tang Qi Shan, telling her to go back.

In the past, Tang Bao always went back once a week. Last week, she got married and stayed in the castle, so she didn't go back.

Tang Bao wasn't too willing to return to the Tang Family, she would have to face the mother and daughter pair's fake faces when she returned. But if she didn't go back, he would make them suspicious, right?

How come you don't go home every week?

Therefore, Tang Bao called the castle to inform them that she would be returning to Tang Family in the evening.

Before he even entered the door, he heard Tang Qi Shan and Zhou Xiang Ting talking.

"Di Hao Tian is a man that cannot be controlled, he's the only one that controls others. His wrist was unfathomably deep. If he could be ruthless, he definitely wouldn't show mercy. With his status, what kind of woman hadn't he seen before? Marrying a man like that, I can imagine what your marriage will be like in the future. The most important thing is that Di Hao Tian recklessly refused to show any emotions, so the possibility of him agreeing is zero. "

Zhou Xiang Ting said: "That's what I told her. But this child was stubborn, and after seeing Di Hao Tian, he became obsessed. Why don't you try it? So that she can give up on this idea. "

Tang Bao pretended not to hear anything and walked in.

He leaned back on the sofa. "Why did you call me back?"

"Won't be back for a few weeks? If I don't tell you, are you prepared to not return? " Tang Qi Shan's face turned cold.

"Do you care if I come back or not?" Tang Bao asked.

Tang Bao patted the back of Tang Qi Shan's hand which was placed on the side of the sofa, and comforted him: "Don't be angry, I'm already used to it."

"..." Tang Qi Shan's face stiffened. "What happened to your ring?"

"Father, I heard from Tang Bao's classmates that she bought it from a 10 yuan shop." Tang Ru Yi said. Her gaze swept towards Tang Bao with disdain.

"Why did Di Hao Tian say that?" Tang Qi Shan was suspicious.

"How would I know?" Tang Bao acted like a fool.

Tang Qi Shan felt that it might just be a misunderstanding, and he wouldn't have expected that his daughter would be implicated with Di Hao Tian, who only had one hand to cover the sky.

Although she said that, Tang Ru Yi who looked at Tang Bao's unconcerned face twisted it into a mockery of her. Instantly, hatred and hatred filled her heart.

As they were eating, the phone in the living room rang. It was Tang Bao's.

shoulder bag took out her phone, and the caller ID showed that it was an unfamiliar number.

"Hello, who is this?"

Tang Bao's heart skipped a beat as she looked at the table and went out to pick up the call.

The mother and daughter at the table exchanged glances in secret.

Outside.

"I called back. Furthermore, I am only going back to Tang Family, so I will be going back on Monday. "

"You are my woman now, and everything has to be done with my consent.

"You have thirty minutes. If you don't see anyone, I'll have the driver come and pick you up."

"Wait, wait!" Tang Bao panicked.

"Speak!"

"You said that you would give me freedom. I just went back to my parents' home, not that I can't go back. Well, I'll go back first thing in the morning. I will definitely let you see me when you open your eyes! Is it done? "

C32 No wake up

The other party hung up unilaterally.

Does this count as agreement? Tang Bao heaved a sigh of relief.

If she didn't say that, with Di Hao Tian's ability to control everything, he would definitely do as he said.

Returning to the table, Tang Bao prepared to eat.

Zhou Xiang Ting spoke with a concerned face: "Tang Bao, who called?"

"Why are you asking so much?" Tang Bao said disapprovingly.

"Aren't I just concerned about you? You were in such a hurry to answer the phone. " Zhou Xiang Ting said.

Was it because of this that she managed to coax her father? If Tang Bao believed her words, then she would be an idiot.

"If you can't eat, you can't talk." Tang Bao recited the words quietly.

The skin on Zhou Xiang Ting's face was very stiff, and he did not speak anymore.

That night, Tang Bao went to the bathroom to shower.

The shoulder bag was placed on the desk and the phone was thrown onto the bed. Only the sound of water in the bathroom could be heard from the quiet room.

Tang Ru Yi sneaked into Tang Bao's room and checked the records on the phone on the bed.

The most recent call was made at mealtime.

It was obviously a noble number, but whose one was it?

Tang Ru Yi called back, and not long after, the call connected, and from inside, a man's voice that was as deep as magnetism came out: "Did you miss me?"

Tang Ru Yi was stunned.

Why was this voice so familiar? Thinking about it, it seemed to be Di Hao Tian's voice.

"Speak." A low, intimidating sound that oppressed the nerves in the eardrums.

Tang Ru Yi immediately ended the call.

Staring at the phone on the bed, Tang Ru Yi felt that his breathing was unstable.

When that voice sounded once again, Tang Ru Yi was certain that it was

really Di Hao Tian.

Why did Tang Bao have Di Hao Tian's cell phone number? And the words 'missed me '? Then, he thought about the day she saw Tang Bao and Di Hao Tian get on the carriage together.

The relationship was clear.

Tang Bao was actually having an affair with Di Hao Tian!

was so angry that he wanted to smash this phone! Di Hao Tian could only be hers, why did Tang Bao always want to steal her things!

Tang Ru Yi turned around and left the room with a twisted hatred on his face.

Tang Bao, who had just finished her bath, did not know anything about this incident.

The next day, Tang Bao woke up very early.

This one had left long before the people of Tang Family had gotten up.

Didn't she say that over the phone yesterday, Di Hao Tian would see her immediately?

As such, they fought against time to return back to the castle. Upon entering, they immediately dragged Zhang Li and asked: "Has Di Hao Tian woken up yet?"

"Not yet."

Tang Bao threw down her shoulder bag and headed towards Di Hao Tian's

room.

Quietly, quietly, he opened the door and entered.

On the bed in the bedroom lay Di Hao Tian. Even in her deep slumber, her tall and attractive body still emitted the essence of a wild beast. It was hibernating, causing people to hold their breath, afraid of disturbing him and harming themselves.

Tang Bao slowly approached them, her every step extremely careful.

She didn't dare to wake Di Hao Tian up, so she decided to wait by the side.

The moment Di Hao Tian opened his eyes.

However, the process was difficult to bear.

The bored Tang Bao sized up that calm face. Even in the past, she didn't dare look at him that way. The contours of her face gave her a domineering air. Her eyes were narrow and sharp, her straight eyelashes thick, and her straight nose was carved out of a blade. Her thin lips exuded a thin, emotional coolness.

C33 And I'm going to say it a second time

And I'm going to say it a second time

But he also understood that it was just as Tang Qi Shan said, difficult to control.

Tang Bao stood by the bed and waited since 6.30.

Seven o'clock...

Seven ten ...

Seven thirty...

Breakfast of various kinds had been prepared in the kitchen and was waiting for the host to arrive.

However, something was amiss today. Even Li En could not understand what was happening as he furrowed his brows.

Zhang Li walked over: "Young Master Di has always gone downstairs on time at seven o'clock, why isn't there any movement today? Would you like to bring the breakfast out first? "

Li En thought for a while, then said: "Wait a little more."

Tang Bao stood up as though she was a statue, but the person on the bed did not move.

She put her head to her forehead and stared at the face to see if there were any signs of awakening.

She was here at the right time. How long was she going to sleep for?

However, just as she was thinking about it, her eyes suddenly opened.

Tang Bao gasped in shock and was about to stand up. Di Hao Tian's long arm stopped her in her tracks, and his thick palm pressed on the back of her head, pressing down.

Tang Bao hurriedly stretched out her hands to support herself on the bed. Her four lips stopped at a distance of three millimeters. Tang Bao gasped, and

almost lost her soul.

"If I don't open my eyes, do you want to keep watching?" The warm breath on Tang Bao's face warmed up to the point that her eyelashes were about to melt.

The lazy and low voice shook Tang Bao's fragile heart in the early morning.

That pair of black eyes didn't seem like they had just woken up at all.

His two hands were so full that they were trembling, but he still forced himself to hold on. Otherwise, his four lips would be stuck together.

What was she doing with her head so close together?

"Enchanted by me?" Dark Eyed Evil asked unrestrainedly.

"Not at all. Didn't I say that you could see me when you opened your eyes? I mean what I say, so isn't this coming back?" Tang Bao struggled to get up from the big palm with her little head, but she was not as strong as Di Hao Tian's other hand, so she was a little angry, "Let go of me!"

"Help me get dressed." Di Hao Tian's black eyes flashed with sharpness as he got up from the bed.

"What?" Tang Bao, who had just stood up straight, was a little confused, "Why do you want me to help you put them on?"

It wasn't like he had no hands.

The strength in his hands just now was so great. It couldn't be that he couldn't even hold a piece of clothing, right?

"Come here." A forceful tone.

Tang Bao was so angry that she stomped her feet on the ground, and then followed closely behind.

As soon as he set foot inside, his body froze.

Di Hao Tian had already taken off his pajamas and was wearing only a pair of flat horned pants. Wrapped around his sturdy and strong buttocks, his tall and wild body was completely exposed. Every muscle of his was well-proportioned and had power, as if they could erupt at any time.

In the mirror, Di Hao Tian's narrow and deep eyes fell on Tang Bao's body. Her red face was as enticing as an apple on a branch, making people want to pick it up roughly, wreaking havoc on her soul, overbearing and unbridled.

"Do you need me to say it a second time?"

Tang Bao focused and exhaled the hot air, then passively walked towards Di Hao Tian.

Di Hao Tian never liked people appearing in his room when he woke up, let alone helping him get dressed.

Obviously, this was Di Hao Tian deliberately making things difficult for him.

Looking at the clothes that were even more luxurious than luxury goods, Tang Bao asked: Which pants are you going to wear?

"Pick one."

Tang Bao thought that if it was not good, Di Hao Tian would say. He was not a good man to talk to.

Di Hao Tian's cloakroom was mainly filled with dark skinned people. Adding to his usual attire, Tang Bao chose a black pair of pants.

C34 Why can't I lift it up?!

While Di Hao Tian was putting on his pants, Tang Bao tried his best to focus his eyes.

In fact, there were quite a few boys with good figures in the school, but they were all weak chicken in front of Di Hao Tian.

It couldn't be compared.

It stuck when the pants went up.

Tang Bao thought she did not raise it well, and raised it again, using a little bit more strength —

"En!" The sensitivity of the touch sent a surge of heat down.

Di Hao Tian groaned, as his black pupils deepened.

Tang Bao turned her head to look, only to see that her pants were stuck on the divine object.

His face turned red, and even his ears started to burn.

Then he closed his eyes and continued to lift upwards.

This time, he got stuck even harder.

Di Hao Tian's breathing became heavier.

The gaze that overlooked Tang Bao was filled with insolence, and a faint fragrance that came from a twenty year old body.

"That... "That ..." Tang Bao was dumbstruck.

Why can't I raise it? Why did it become more and more stuck ...

Just as Tang Bao was at a loss as to what to do, her small hand was suddenly grabbed, thick and hot.

"If you don't want me to eat you now, then hurry up and leave." Di Hao Tian's voice carried a thick danger of explosion.

Tang Bao's mind trembled, she pulled back her hand, lowered her head and ran.

He ran out, holding his hot face in his hands to cool it.

This was too embarrassing. She was too ashamed to see anyone.

How could she have known that such a thing would happen? Otherwise, she wouldn't have dressed Di Hao Tian up.

At the breakfast table, she and Di Hao Tian ate together.

Di Hao Tian, on the other hand, did not mention what had happened in the cloakroom as he calmly ate his meal.

However, the atmosphere was abnormally fluid, as if it was concealing an unknown disturbance.

Tang Bao decided not to go to Di Hao Tian's room in the morning.

Just this once, never again.

It was too dangerous.

Di Hao Tian seemed to have something going on as he went out on his day off.

But for Di Hao Tian, there was nothing to rest for.

The Diedrich Group was under his control. However, she had also heard that Di Hao Tian was unfathomable. Not only in the Diedrich Group, but also in the depths of the darkness.

He didn't know if it was true or not. It was all just a legend.

However, Tang Bao felt that she had no choice but to believe it, because Di Hao Tian was really strong.

At the very least, she had never seen anyone stronger than him in the imperial city.

Tang Bao didn't know if this was good for her or not.

Thinking about it, it had to be negative, right? A man who was too powerful wouldn't be able to escape his grasp.

Di Hao Tian was serious, he had matters to attend to, why did he insist on bringing her back?

During the day, when Tang Qi Shan called her to ask her what was going on,

she said that she was going out with her classmates to play.

Tang Bao finished her homework in her room, played some games, and was very bored. Just when she was bored, Wan Mi Lai called him.

"You're so boring at home, why don't you come out and play? Aren't you tired of looking at your stepmother?"

"I'm with Di Hao Tian."

"Uh, should I hang up?"

"No, he's not at home."

"Didn't you say you were going back to the Tang Family? Why was it with Di Hao Tian again? I see. There is no personal freedom. "

Tang Bao felt something jumping between her eyebrows, "How come I don't have freedom anymore? Do I really have no freedom to receive your call? "

"Baby, you're asking for so little."

Tang Bao's head fell onto the bed.

"Since you're not in the Tang Family, I won't find you to play."

C35 come to me

Come find me

"No. I'm going out. I'm bored, too. "

Wan Mi Lai's guts grew, and he drove her father's car out.

Tang Bao who was sitting in the front seat had her window open and could feel the free wind blowing on her face.

Wan Mi Lai took the time to glance at the enjoyable expression on her face, and asked: "Are you still going to come out and play?"

"Of course. Either at school, or at home. " Tang Bao had a happy smile on her face.

He even stuck a hand out of the window to let his hand feel the sensation of flying.

Her slender white fingers were pierced by the sunlight. She was crystal clear and beautiful.

Having a car was naturally convenient, but stopping the car was a difficult task. Since it was a day off, there would definitely be many people coming out to play.

The car slowly stopped. Opposite them was a luxurious top class clubhouse, and when Tang Bao looked at the dazzling big door, looking at the luxurious cars in the car park, she knew that the people inside were not rich, but expensive.

The car was forced to a halt by the administrator. Wan Mi Lai, who had been stuck in the car for a long while, used up all of his patience and ran out to argue with the administrator.

"Why did you stop my car?"

"We can't stop here."

"Why can't I stop? I'm going inside to eat." Wan Mi Lai raised his chin and said.

The manager looked at Wan Mi Lai from head to toe, and then at the hundred thousand car behind him, he laughed, that laughter was simply mocking him.

"Are you kidding? You can't go in a car like this to eat here. "

Wan Mi Lai did not believe it. "What rule is this?"

"If you don't leave now, I'll get the security guards to chase you away." The administrator was not in a good mood.

"I say, why are you so unreasonable?"

Seeing that they were about to argue, Tang Bao quickly got out of the car and pulled Wan Mi Lai away: "Forget it, find a new parking space. It's normal for people to be unhappy when your car is piled up in a luxury car. "

"But we went around a few times and we didn't have any parking space. How about I pay you a bit more? " Wan Mi Lai discussed with the administrator.

The manager really didn't want to waste his saliva on this kind of poor person, so he reached out to push Wan Mi Lai, and directly bumped into him.

His attitude was terrible: "Go back and forth wherever you want!" If it weren't for the fact that you are still young, I wouldn't be polite to you! "

Tang Bao was enraged, but just as she was about to flip, he saw the manager's ugly face turn 360 degrees, and laugh until his face was full of

wrinkles as she walked forward.

Tang Bao turned around and saw an armoured car stop.

Tang Bao could not be more familiar with this car. Why is Di Hao Tian here?

Even when the caretaker stooped like a pug and greeted him with a smile, it became insignificant at the moment.

The bodyguard opened the door, revealing shiny black leather shoes and long legs. Di Hao Tian got off the car and looked at Tang Bao with her black eyes.

Tang Bao felt that she was really unlucky, she could even bump into Di Hao Tian when she came out to eat.

When he had never met Di Hao Tian before, he had never had such a chance either.

Wan Mi Lai made a small movement behind her, and poked her butt.

Di Hao Tian walked and stood in front of Tang Bao, his imposing manner couldn't be ignored.

"Looking for me?"

Tang Bao was embarrassed: "Who's looking for you? We're looking for a parking space. "

In the midst of this silence, another deep and deep voice interrupted — —

"Since we've met, then let's eat together."

Tang Bao raised her head and looked. A man who had quite a strong sense of presence appeared in front of him, dressed in exquisite and profound clothes, with a handsome angular face. Her eyes were filled with a quiet coldness, and there was even a cigarette between her fingers.
